

Permission to photograph

Dear Parent\Guardian

During the course of our Summer Activity Nights we hope to take pictures of our youth engaged in games and fellowship.

I hope to post these pictures onto our social media pages and in our weekly email that it sent to our Congregation.

At no point will any child be tagged or their name displayed.

Although I obtained verbal consent or consent forms have previously been completed I would like to ask you to complete this form stating your consent for your child to have their picture taken with the view of this photo possibility being used to update our congregation via email and social media.

Please complete below and return via email or return at our next Activity Night which is Thursday 15th July at 7. 30 pm.

Thank you

Ali Boyd
